What is a Verification Worksheet?

Your application was selected for review in a process called Verification. In this process, we are required by federal law to compare the information from your FAFSA with the information provided on this form and other documentation. If there are differences between your FAFSA and the documents you've submitted, corrections may need to be made. We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible.

Please contact financialaid@sagu.edu with any questions!
