

MINISTERIAL CREDENTIALS FOR ALL SAGU STUDENTS

The 24-hour Core of General Biblical Studies at Southwestern Assemblies of God University has been structured to provide a broad exposure to basic Bible knowledge, theological awareness in the Pentecostal-evangelical tradition, and an awareness of the opportunities and challenges of ministry within the Church and the marketplace for all students at SAGU, regardless of their major.

Consequently, all students at SAGU who complete this 24-hour core have the opportunity to apply for entry level ministry credentials with the Assemblies of God if they so desire and are otherwise eligible. While the University doesn't grant ministerial credentials, offering preparatory curriculum is in keeping with the mission and purpose of the University "to prepare undergraduate...students spiritually, academically, professionally, and cross culturally to successfully fill evangelistic, missionary and church ministry roles...wherever needed throughout the world" and the expressed desire of the supporting districts of Southwestern Assemblies of God University. For complete information regarding ministerial credentials, please contact the Dean's office of the College of Bible and Church Ministries.

In order to accomplish this, the University has covenanted with its supporting districts to provide for the following through its 24-hour Bible Theology Core:

1. A broad exposure to basic Bible knowledge.
2. A general knowledge of theological persons, events and doctrines within the Pentecostal-evangelical tradition.
3. An awareness of the opportunities and challenges of ministry within the church and marketplace today.
4. An overview of the governance, structure, polity and ministries of the Assemblies of God.
5. Specific preparation for the credentialing exam and interviews with the Assemblies of God should the student desire to apply and otherwise qualify.
